This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

This collection of information is required for developing a Mixed-Finance rental project pursuant to HUD regulations 24 CFR 941.600. The information will be used to provide HUD with sufficient information to enable a determination that the proposed homeownership project is demographically and financially feasible and that HUD statutory and regulatory requirements have been met.

Rental Term Sheet

The term sheet consists of four sections that are to be filled out by the PHA as part of the Mixed-Finance Proposal and submitted to the HUD Grant Manager for presentation to the Project Review Panel:

- **A. Specific Phase Project Summary:** A one-paragraph narrative description of the specific phase for posting on the HUD web site.
- **B. Program Overview:** A description of the overall development program, financing, and schedule.
- **C. Specific Phase Overview:** A description of the program details for the specific phase under review.
- **D. Statement of Business Terms:** A description of the deal terms between the PHA and other parties for the specific phase under review.

A. Specific Phase Project Summary

- The overall unit count broken down by unit type (i.e., ACC, LIHTC, ACC/LIHTC, market, etc.);
- Sources of funding;
- The names of the major partners;
- The building type(s) being constructed (e.g., row, detached/semi-detached, walk-up, etc.);
- Any non-residential or mixed uses;
- Any elderly designated units in the phase;
- Any unusual features of the phase (e.g., a land swap, commercial facilities, operating subsidy only units, scattered site acquisition and development, etc.).

III. Key Milestones

Purpose: To provide HUD with the status of the phase, to establish the timeline for phase

completion, and to identify which party is responsible for each activity for the phase under

review.

Instructions: Complete the chart below for the specific phase under review. Indicate whether the activity

listed is appropriate for the phase, provide a date for actual or anticipated dates of

completion, and check the party responsible for the implementation of the activity. If a box is shaded, it is not applicable and does not need to be completed. Provide any comments in

V. Sources and Uses

Purpose:

To provide an understanding of the sources and uses as required by 24 CFR 941.606(b) for the specific phase under review. HUD will be evaluating: whether the sources listed are sufficient to build the project, considering timing of sources; which sources are construction (temporary) vs. permanent; the terms of loans; the terms of grants; whether the public housing funds are bearing the appropriate pro rata share; and whether the uses appear reasonable.

Instructions: Complete the Excel spreadsheet Exhibit F-1 Phase Budget to describe the sources and uses for the specific phase under review. Complete both permanent and construction sources and uses.

VI. TDC Calculation

To determine whether the proposed activities for the phase under review are within HUD's Purpose:

Total Development Cost Limits. For information on TDC, see Notice PIH 2001-22 and

refer to 24 CFR 941.606(g).

Instructions: Complete the Excel spreadsheet **TDC & Instructions** to calculate the TDC for the specific

phase under review.

D. Business Terms

Purpose of this section: To evaluate whether the business terms proposed constitute an appropriate use of public funds. HUD will evaluate the costs of the project against its Cost Control and Safe Harbor standards in light of the risks taken by the developer and PHA. To determine whether the phase meets HUD's cost guidelines and to evaluate the risks associated with the phase, PHAs should refer to the February 23, 2000 Cost Control and Safe Harbor Standards for Rental Mixed-Finance Development. These guidelines are available on the HUD web page at: http://www.hud.gov/pih/programs/ph/hope6/control.pdf.

I. Developer Compensation

Instructions: Provide the following information for the net developer fee as defined in the Cost Control and Safe Harbor Standards for the specific phase under review. Express all fee amounts as a percentage of the overall project costs. HUD will verify the stated percentages against the provided sources and uses. If necessary, provide a justification for any term(s) above the HUD Safe Harbor Standards.

VIII. **Allocation of Operating Subsidy**

Instructions: Indicate which of the following methodologies for allocating operating subsidy from the PHA to the owner entity will be used, and the estimated amount of operating subsidy to be provided on a per-unit per month basis. (For more information on these methodologies, refer to the Mixed-Finance Guidebook, Chapter 5.) In the space below, provide a narrative that describes the methodology for allocating operating subsidy, as required by 24 CFR 941.606(c).
